2022 Spring Scholarships

Congratulations to each of our dedicated and community-minded scholars!

2022 Spring HOPE Scholar Kyleigh Kelley

Kyleigh is a senior graduating from Cibola High School this year, with plans to attend Colorado State University this fall. She wants to major in Occupational Therapy with a minor in Human Development and Family Sciences. With this degree, she hopes to become an Occupational Therapist and work with foster kids. She has always had a passion to work with kids and make a difference in their lives. She currently works with Boys and Girls Club of Central New Mexico, which is, in her opinion, the best job anyone could have. She is on the NM 4-H leadership team, which she says has brought out the creativity in her, pushed her out of her comfort zone, shown her what a true role model is and does, and how to overcome her fears. Best of luck in your college and career goals, Kyleigh!
