

VOLUNTEER SPOTLIGHT

Our General Aid Volunteers

Today, we are shining a spotlight on our volunteers who work diligently behind the scenes, to help distribute assistance to the less fortunate of our community.

The General Aid Volunteers assist with reaching out to the families/organizations who submit applications for assistance. On their personal time, our volunteers talk to the families and see if and how we can assist them with their needs. All of our volunteers have full-time jobs or a full day of activities assisting in projects, so we truly appreciate the donation of their limited free time, to make a difference.

These fine ladies have reviewed over 150 application just since January, and awarded 106 deserving families with aid. This is a time consuming process, requiring a lot of work, and it simply could not be done without all of their time and energy.

We just wanted to take a moment to show our most heartfelt thanks to all the women in this photo.

*Thank you Jackie/Joslin/Jill/Jaime/Nancy/Patricia
for all your compassionate hard work.*
