Los Ojos de los Ninos **2023 Community Service Projects** ***3rd Annual Backpack Drive***

Schools Visited:

*Kit Carson Elementary, Carlos Rey Elementary,
Tomasita Elementary*

Our Los Ninos youth branch members are setting a heartfelt example of meaningful ways to make difference in our community.

This year is the 3rd annual backpack drive and our young people assembled and distributed 200 backpacks, filled with supplies, to kids at the various Title I schools in our community. We had 19 volunteers, but many more joined in to make it happen, including school administrators and parents.

Note: Next year, Los Ninos will be giving out backpacks to kids in early August! Anyone interested in joining the fun and making a difference, text "subscribe" to Cody Leslie at 505-980-3726, and you will receive text updates for future events.

3rd Annual Trash Pickup

This is also the third year our citizen-minded youth performed their trash pickup around the community. These young people give us all hope, as they put word into action, and make real the ideas of giving back to your community, working alongside one another to make our world a better place, and lifting up one another, for the whole community to rise together.
