# LOS NINOS First Annual "Cross My Paws" Adoption Event

*We had a great turnout with 14 of our youth showing up to support a locally run animal rescue during their adoption event at Jericho Nursery. Our main goal was to help as many dogs as possible find new homes—and we're thrilled to say that 3 lucky pups were adopted!*

*While our volunteers helped keep the energetic dogs entertained, they also picked up some valuable sales skills. One of their tasks was to approach people at the nursery and invite them over to meet the adoptable dogs—even if they didn't plan to adopt. After all, this was the dogs' "social hour," and every bit of interaction helps with their socialization and visibility.*

*We're proud of the impact these kids are making in our community!  
Thanks again for your continued support.*
