

Los Ojos de la Familia

proudly introduces you

to our newest Platinum-Level sponsor:

DUKE CITY Property Investments

Duke City Property Investments

DC Property Investments is a local New Mexico property investment company, founded in 2013, with the mission to help solve real estate problems for every day folks. This year, they made themselves a goal to flip/renovate a home to resell, and donate 100% of the the net proceeds to a local charity, and they chose us! The profit from that project was over \$35,000 and they donated 100% of it to Los Ojos de la Familia.

We are so proud to be partnered with such a generous, locally-invested group of folks, who believe in our community and in the honor in giving back.

Please help us give them a great big THANK YOU!
