## CONGRATS! H.O.P.E. Scholars

*Congratulations to each of these motivated and dedicated students, who are pursuing dreams and following purpose in their college careers. It is our pleasure to award each of these scholarships to help them on their way.*

### Max Williams

My name is Max Williams, I graduated with honors from Cibola HS, I am a hard-working and determined student, and I am going to college this fall at Stony Brook University, New York. I'm studying to become a dedicated and reliable professor in the field of mathematics, to help further our understanding of the logical world. My hope is that my career will help other students feel more comfortable in the STEM fields, and that my knowledge and conscientious research as a professor will lead to new advancements in the mathematics and other applied science fields.

### Noah Castro

Hello, my name is Noah Castro and I am going to be a freshman this fall semester at UNM. I graduated from Albuquerque high school in May 2021 as a top 20 graduate. While in high school I participated in DECA,

Senate, Young Life, and Varsity Track and Field. I stayed involved throughout my 4 years in high school and I am grateful for all of the experiences that I gained throughout!
