

Thank You, Ray's Flooring!

For more than 20 years, Ray's Flooring, one of our local partners, has held a "Client Appreciation Golf Tournament" and donated the proceeds from the event, through the Ray and Dorothy Lucero Memorial Fund, to local charities and other community-beneficial organizations. Each year the tournament, which is sponsored by the company's distributors and suppliers, generates about \$5,000 - \$7,000 of charitable donations. This year is their 20th annual tournament, happening Friday 9/3, and they have decided to donate the entire proceeds from this year's tourney to Los Ojos de la Familia.

*We are so very proud to work with the generous and thoughtful folks at Ray's Flooring, and are grateful for their continued support of the charity. Please join us in a heartfelt THANK YOU to Ray's Flooring!
