# New Mexico Force

—Youth Basketball Club

The New Mexico Force Youth Basketball Club is a non profit, 501(c)(3) team, which works with young men ages 10-17 throughout the state. It provides youth with an opportunity to play competitive basketball in New Mexico and in other states. The team consists of ten young men, and it costs the average youth about \$3,000.00 per year for club fees and traveling expenses, which include airfare, room and board. For many of these kids, athletics are the key to higher education. Many parents cannot afford the full costs, so they rely on sponsorships for their kids to attend and compete in these tournaments. Through these tournaments, many players have been noticed by college scouts, and have received full-ride scholarships to colleges and universities. This program has saved them and their families thousands of dollars in tuition fees. Tournaments begin every March and run through July. We were happy to give this team \$575.00 to cover the costs of two upcoming events— the Albuquergue West Mesa Tournament and the El Paso Shootout.

Leticia Caraveo Leticia is a single mother of 4 and a survivor of domestic violence. Her house burned down on

Christmas Eve this last year, and she was left with absolutely nothing. She and her family stayed in a church for awhile until that church raised enough to help her rent a house. **Rodriguez Family** The Rodriguez family, led by single mother Rosa, has lived through some terrible tragedies. Her daughter, Paula, has leukemia and must be treated daily until 2012. The family had to move to Albuquerque because of this, and Rosa had to quit work in order to take care of her daughter's constant needs. The family lives on donations, from neighbors, churches, anyone who will help. We gave them a Walmart gift card for \$299.

## **ACE Leadership School / United Way**

On March 29, 2011, ACE Leadership High School's Re-Engagement Program met in the PM hours to hear several announcements and to hold a small celebration of achievements. The student body was pleasantly surprised as *Ojos de la Familia* awards were announced. *Eleven*, very deserving students were donated \$150 Walmart gift certificates each. The timing was perfect as these students had just begun a new trimester, and the funds will help them and their families take care of personal needs. Present for this event, was the school's director, Tony Monfiletto and the evening

Personnel, staff and students were very appreciative and rejoiced in the high-five's, congratulations, and plans of how to use the funds. This group had a heart felt thank you to *Los Ojos de la Familia* for helping make a great difference in these students' lives. This very generous gesture will not be forgotten! ACE is a new *charter* school and the Re-Engagement Program provides education and other services to students who have chosen to return to school to earn their high school diploma.

As you can imagine, this is no easy task. In addition to their studies, many of these families struggle financially. Education is the key initiative for Los Ojos de la Familia. This program and these kidd are perfect examples of what we represent. We are proud to help these students as they work to help themselves and their families.
